- multiplier event of the COMBI project in San Sebastian in June
- COMBI website updated in partners' languages!
- How to join the COMBI project

Newsletter #02

The COMBI “Communication competences for migrants and disadvantaged background learners in bilingual work

University (United Kingdom), Centro per lo Sviluppo Creativo “Danilo Dolci” (Italy). The goal of the COMBI project is to develop innovative and inclusive/systemic

requirements in the workplace. The multiplier event in San Sebastian will be an important occasion to present the first results of the project. In particular, on the 7th of

environments” project is organising a multiplier event on the 7th and 8th of June in San Sebastian (Spain). The project involves six partners from five different countries: Fryske Akademy (coordinator, The Netherlands), Elhuyar-Zubize (Spain), Banaiz Bagara elkarte (Spain), Axxell Utbildning AB (Finland), Swansea

practices and methods focused on acquiring communication competences in the languages required in the workplace. The aim of the method is not to acquire full competences in two or more languages, but to make sure that the regional language is taken into consideration as far as it fulfils language

June Gwennan Higham, from the COMBI team, will present the first result of the project “Needs assessment and collection of good practices”. Petra Elser and Ana Labaka will introduce IO2 “Teacher Training Toolkit”. On the 8th of June recent research and best practices of the field is presented by

international speakers and the participants will have a chance to be a part of developing on-line modules for teacher training in interactive group conversations. Many international speakers are announced to participate in the two-day conference in the wonderful San Sebastian /Donostia! If you are interested in participating to the COMBI project multiplier event please check the programme [on our website](#) and [register here](#)

COMBI website updated in partners' languages!

The official COMBI website is online with all the minority languages of the consortium: Welsh, Frisian, Finnish, Basque and, of course, English and Spanish. New sections have been added and it is possible to find useful info about the project and bilingualism in general. In the "Resources" section you can find useful resources and documents on minority languages and training in Europe <http://combiproject.eu/resources/>

How to join the COMBI project
